

# PRODUCT SERIAL NUMBER ON BOXES

On all BeefEater products, the serial number of your product is located on a white sticker on the outside of the box.

The below example shows where you can find the serial number:

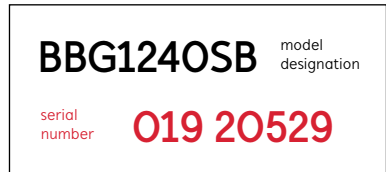

The red box indicates the location of the serial number

## Model Designation

The product code will be at the top of the sticker. The Product code will start with the following:

B – BeefEater (e.g. BBG124OSB)

## Serial Number

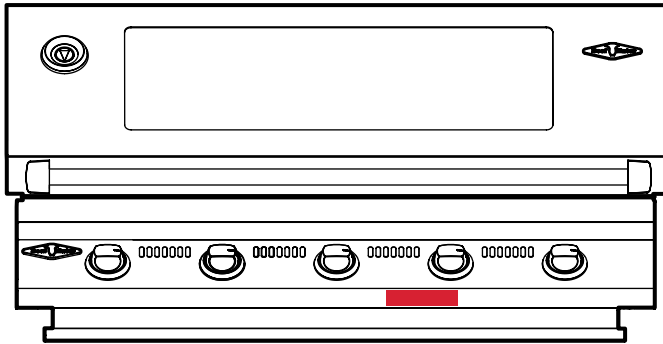

The Serial Number is located on the label on the front, back or side of the box and is 8 numerical digits long (no characters or letters)
